

## SPOTLIGHT

### OPTION CARE HEALTH Bannockburn, Illinois

Option Care Health, Inc. is the nation's largest independent provider of home and alternate site infusion services. Option Care Health provides essential infusion services that enable patients to transition home from the hospital sooner.

Physicians and patients rely on infusion therapies for a wide variety of acute and chronic needs, from nutrition support and immune disorders to infections and neurologic conditions. Serving patients in all 50 states, Option Care Health has over 6,000 teammates, including 2,900 clinicians, to elevate standards of care for patients along every step of the infusion therapy process including: intake coordination, insurance authorization, resources for financial assistance, education and customized treatments. Through Option Care Health's trusted partnerships with insurance providers, biopharmaceutical manufacturers, healthcare systems, physicians, and other referral sources, they deliver exceptional infusion therapy services and high-quality, cost effective solutions to make a positive difference in people's lives. <sup>1</sup>
