

SPOTLIGHT

UMB FINE ARTS MANAGEMENT Kansas City, Missouri

At UMB, their fine arts management services include options for both collectors and artists, including a specialized, museum-quality, art inventory software. They can record and

maintain important details of items, including inventory, establishing a database, and collecting images and background information on all a collector's pieces.

UMB's long-term commitment to the arts has deep and authentic roots, beginning with the Kemper family's passion for fine art. UMB has a genuine interest and understanding, garnering a reputation that is widely-recognized and respected.

This credibility allows UMB to provide unparalleled service to artists and collectors nationwide. From inventory to appraisals, custody to conservation they have a vast array of services based on your needs.¹
