

SPOTLIGHT

UREBLOCK Guadalajara, Mexico

Ureblock, S.A. de C.V. is a Mexican company specializing in the manufacture of flexible polyurethane foam, polyester fiber, and fabric. Founded in 1978, in the city of Guadalajara, Ureblock has become a national leader in the field and is one of

the most important suppliers in the industry. The company serves various types of industries and markets including home furnishing, packaging, automotive, footwear, and electronics. ¹

Ureblock has eight production plants distributed throughout the Mexican Republic: three of them located in Tecate, Ciudad Juárez and Monterrey, which work directly for the U.S. market. The factory in León, Guanajuato, is focused on the automotive and shoemaking industries; the one in Puebla serves Mexico City and the southern region of Mexico; while Mérida comprises the entire Yucatan Peninsula and seeks to join the Central American and Caribbean markets. ²
