

SPOTLIGHT

WAYMO

Mountain View, California

Waymo LLC is an American autonomous driving technology development company. It is a subsidiary of Alphabet Inc, the parent company of Google. The company began as the Google

Self-Driving Car Project in 2009 with a mission to make it safe and easy for people and things to get around while saving thousands of lives from automobile accidents. Waymo One is their commercial self-driving ride-hailing service; users in the Phoenix metropolitan area can use the Waymo app to request a pick-up. Waymo Via is their autonomous trucking service for transporting goods in California and Arizona with plans to expand into Texas and New Mexico. In the next few years, autonomous vehicles will become a regular part of our day-to-day experience, and Waymo is one of the most promising players in this market. ¹
